

Shaping the future of the Agri-sector

Future Trends Seminar

This seminar will bring together industry experts to talk about the future trends and best practice within the Agri-sector. With increasing minimum wage levels and an increased reliance on automated operations, we will look at how organizations can maximize their enterprise value and prepare for the future.

Where: Ontario Greenhouse Vegetable Growers, 32 Seneca Dr, Leamington ON

25th Jan
2018

7:30am -
9:30am
